Our exclusive, one-off design at Site 168B where spaciousness and warmth entwine. The modern and inviting living spaces gracefully meet a large alfresco area, perfect for intimate dinners or social gatherings.

With open plan living and dining areas, the home is always basked in natural light. A dedicated study completes the space, offering a separate zone for work or other activities.

Both bedrooms offer generous proportions with the master boasting a large walk-in robe and stylish ensuite. Featuring a large double garage and external laundry, this home is a sanctuary of comfort and elegance.
